BHASHA BANDHU

Innovating for a Multilingual Judiciary

Supported by  Microsoft

MediZen – AI-Powered Mediation Awareness Platform

The Legal Awareness Gap

- Mediation is a **faster, cost-effective alternative** to court cases, but **awareness is low**.
- Citizens, businesses, and institutions **lack access to structured mediation resources**.
- **Language barriers** make it difficult for people to understand **legal processes** in India.
- **Goal:** Build a **multilingual AI-powered platform** that educates, assists, and connects users with mediators.

Solution

MediZen – AI-Powered Mediation Awareness Platform

- **AI Chatbot & Voice Assistant** – Educates users about mediation in regional languages.
- **Legal Document Generator** – Auto-fills mediation request forms based on user input.
- **Mediator Directory** – Connects users with certified mediators online.
- **Gamified Learning & Interactive Case Studies** – Engages users in real-world mediation scenarios.

Use of Azure OpenAI & Bhashini API

AI-Powered Legal Awareness

➤ Azure OpenAI & Bhashini API:

- AI Chatbot provides **legal Q&A and dispute resolution guidance**.
- **Speech-to-text & text-to-speech** for voice interaction.
- **Multilingual support** for Indian languages.
- Converts **spoken queries into legal guidance**.

Techstack/Technology Used

Component	Technology Used
AI Chatbot & NLP	Azure OpenAI (GPT-4), Bhashini API
Speech Processing	OpenAI Whisper, Google Speech API
Frontend	React.js (Web), Flutter (Mobile)
Backend	Node.js, FastAPI, Flask
Database	Firebase / PostgreSQL
Hosting	Azure Cloud, AWS

Unique Selling Proposition

- **Multilingual AI Chatbot** – Helps users in **native languages**.
- **Legal Document Automation** – **Auto-fills** mediation request forms.
- **Gamified Learning** – Users **learn mediation** through interactive scenarios.
- **Voice-Enabled Legal Aid** – Even **illiterate** users can access legal help.

Business Potential

Who Can Benefit?

- **Citizens** – Helps people avoid **expensive court cases**.
- **Small Businesses** – Quick dispute resolution saves costs.
- **Legal Aid Organizations** – Expands **reach using AI-powered mediation**.
- **Government & Judiciary** – Reduces **burden on courts**.

Implementation Strategy

- **Collaborate with the Government** – Integrate with Digital India initiatives.
- **Law Firms & Mediators** – Provide as a **legal tech tool**.
- **AI for Public Legal Education** – Scalable **legal awareness platform**.
